*Who knows what evil lurks in the hearts of our city officials? **The Shadow knows***

Who knows what evil is in the political arena of Monrovia?

The Shadow Knows

What's in a name? Dr Damors animal hospital was sold 4 years ago.

Who knew Sylvia Domotor DVM is still on staff?

Sadly, just in it for the money now

The Monrovia restaurant after 37 years is no longer same.

Who needs another pizza parlor?

Old Town looking more like ghost town

Over 57 shops gone, what is the Monrovia City Council doing to help?

Telling the merchants to give customers a 10% discount. How about a 10% discount on taxes?

Monrovia public works from over 12 people down to 4.

Have no fear the Asians are coming, plenty of hot CCP money in hand.

Let's talk about grading the Monrovia City Council members:

Gloria, she listens, responds to citizens...A

Larry, no clue, takes up space...F

Becky, what's life without a purse?...C

Alex, man for the people...A

City Attorney Craig...F, the beard won't hide your incompetence

Mayor Tom(excuse for a), useless...F

Whatever happened to our All American City?

Cat stuck in a tree, citizen calls for help, fire department says, "We're too busy."

That's not the Monrovia way

Monrovia walk of fame, Mayor refused to move on it.

Monrovia talks about affordable housing. Asians coming in and bring affordable home selling prices up over 200k.

Next year's election: mayor plus 2 seats up for grabs.

Terry Miller of Monrovia Weekly...biased

City Manager Dylan...somebody buy him a jacket.

A sad state of events for  
"All American City"

The City of Monrovia has run out of money. City staff is currently asking for donations to keep salaries, benefits, and pensions topped off.

## Adams and Hammond Feud Over Sale of Monrovia

Mayor Tom Adams and pawn broker Rob Hammond are currently offering to deal with Monrovia's financial problems. Hammond wants to pawn the city at his local Old Town business. Adams wants to auction it off at his real estate firm. Tom walked into Rob's pawn salon with the deed to the city trying to make a deal but no deal is the deal. Secret council study sessions late into the night, Monrovia sleeps while money burns. Look for charred fingertips. Greed is Good and there is plenty of goodness to go around since the sinking city plight of Titanic proportions is in the balance. Hammond would list the city on Ebay while Adams would auction the city starting at \$100, that's \$100 to the customer that takes it.

The local Monrovia politicians are out in full force while Tommy and Robbie figure out how to steal from the rich AND the poor. Who is declared the winner stands to be determined at a later date. Looking forward to a St Valentine's Day Macabre. Slicing, dicing, julienne fries, and pockets of cash. Be sure to stay tuned, same bat time, same bat channel. The Shadow never sleeps.

## Dick Singer's Book is Pulled from Amazon

1887: A Early History of Monrovia written in 2020 by our very own Dick Singer has been taken off sale on Amazon. Amazon claims that Singer used too many 'Q's in his writing and might fuel conspiracy theories.

## Protest Rallies For Next Week Are Cancelled

The protests originally planned for Monrovia have been cancelled due to lack of interest. The organizers were unable to garner any participants for the scheduled protests because local residents were unwilling to stay up past 10:00 PM. All looting, burning, and coarse language has been moved to a location outside Monrovia to be disclosed at a later date.
